Team members may need to consult a tax professional to determine tax consequences prior to signing-off on this document instructing U.Va. on the method to allocate/distribute prize winnings. Please note that the University cannot provide tax advice.

Student team members electing to receive any portion of the prize winnings are required to contact U.Va.'s Student Financial Services (SFS) Office to determine financial aid implications, if any, prior to being awarded such prize winnings. Anjula Joseph (auj6n@virginia.edu), Financial Manager in the Office of the Vice President for Research, will be available as your liaison to SFS to verify any impact on your financial aid prior to confirming your method of potential prize winnings distribution.

Please return this completed form to Madelyn Taylor (taylor@m@arden.virginia.edu). This form must be completed before you compete in the competition.
